

Friends of Breach Common

We are now well into our Autumn series of works which including clearing some areas of non-fruiting brambles. During this we have uncovered lots of bluebell bulbs and hazel, hawthorn and blackthorn saplings. These should now thrive without being outcompeted and choked by the brambles. From previous years efforts, we are hoping to see primroses and snowdrops in these areas which we didn't know were there. Fingers crossed.

Ideal Christmas Presents

One of our team has been busy making thumb sticks, walking sticks and some garden ornaments from wood harvested from the Common. They are beautifully made and all individual. Also very reasonably priced! All proceeds will go into the Friends of Breach common coffers for future projects. Please message our Facebook page or email Barbara at breachcommon@outlook.com or barbaraatbracknell@yahoo.co.uk

Rob will happily parade his wares so that you can choose the perfect gift. We wish you a very merry Christmas and a prosperous New Year
